Silver Airways Announces Daily Nonstop Seasonal Service Between Bar Harbor, Maine and Boston Starting July 1, 2018

Introductory Fares from of \$84.98* Available Exclusively at silverairways.com

Fort Lauderdale, Fla. (May 8, 2018) – Silver Airways announced that it is starting daily nonstop service between Hancock County-Bar Harbor Airport (BHB) and Boston’s Logan International Airport (BOS) beginning July 1, 2018, for the summer season.

The new schedules, operating during the peak travel season between Memorial Day and Labor Day, are designed to conveniently connect to Silver’s numerous codeshare and interline partners in Boston to over 75 destinations across the U.S. and beyond, including 27 of the most important airports via Silver’s codeshare with JetBlue to the northeast corridor, Florida and California.

To celebrate the new nonstop service, Silver is offering introductory fares from \$84.98* available exclusively at silverairways.com.

“We are honored that the U.S. Department of Transportation has selected Silver Airways to provide essential service at Bar Harbor Airport,” said Silver Airways Senior Vice President Ground Operations Kurt Brulisauer. “This is a testament to the DOT’s confidence in Silver providing safe reliable air service and we look forward to continuing Silver Airways’ long history and tradition of providing convenient flights for business and leisure customers. Of course, none of this would be possible without Silver’s highly dedicated team of aviation professionals.”

“We are thrilled with the USDOT’s recent decision to select Silver Airways as our seasonal essential air service provider with service starting on July 1st,” said Brad Madeira, Airport Manager County of Hancock, Maine. “We believe that the public is going to be well served by Silver Airways with their combination of reasonable fares, cabin class aircraft, and easy convenient connecting service in Boston to destinations worldwide. We are very excited that Silver Airways is joining our group of exceptional air carriers to provide convenient and affordable access to Hancock County and Downeast Maine!”

The Bar Harbor-Boston route will be operated with Silver’s fleet of 34-seat Saab 340B Plus aircraft.
